Carbuncles!

It's the same story. The experience of all sufferers with blood diseases is identical. First the doctors are consulted, and their prescription of potash and mercury is taken faithfully, but without result. Months pass, and the mercurial dose is continued, until finally, his condition being no better, or often worse, the patient becomes discouraged and decides to change treatment.

Patent medicines are then taken, but until the right one is found the results are the same. S. S. S. is the only blood remedy on the market which is guaranteed purely vegetable. It is the only one that contains no mercury, no potash, or other mineral, and therefore is the only one that promptly gets at the bottom of all blood diseases and cures permanently.

MR. JOSEPH C. MYGATT.

All who are afflicted with Scrofula, Eczema, Tetter, Cancer, Carbuncles, Rheumatism, Contagious Blood Poison, Catarrh, or any other form of blood troubles, will find in S. S. S. a prompt and permanent cure; it matters not how deep seated the disease, or what other treatment has failed. Carbuncles are the result of an impoverished condition of the blood, causing a depressed vitality and such a low state of health that it is difficult for the system to withstand even the mildest illness.

Mr. Joseph C. Mygatt, of No. 400 Hancock Ave., Atlanta, Ga., says: "I contracted blood poison from dye, which developed such alarming symptoms, that my life was almost despaired of. At one time there were fourteen carbuncles on my body, and my suffering was such that for months I was unable to do any work. The best physician in our city treated me constantly, but his efforts were of no avail, my condition growing worse all the while.

"S. S. S. was recommended, and after I had taken the first bottle, an improvement was noticed. I grew better every day, and after taking six bottles I was entirely cured. The carbuncles all disappeared, leaving my skin perfectly clear, and I have never had one since."

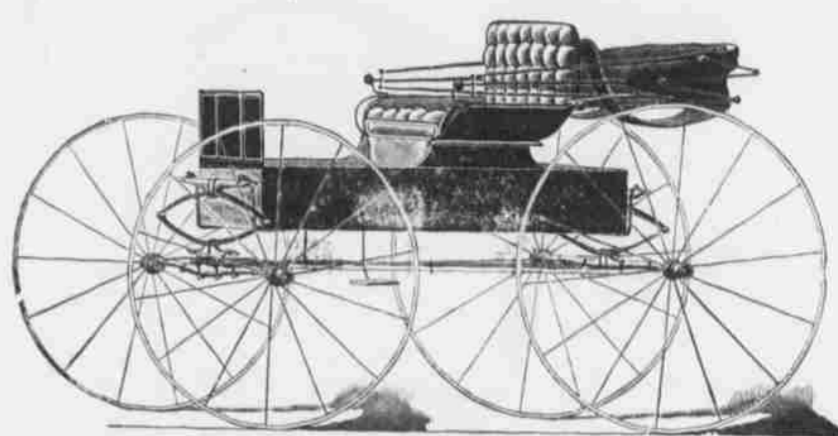

There is not a disease of the blood, it matters not how severe, which S. S. S. will not cure. It is guaranteed

Purely Vegetable

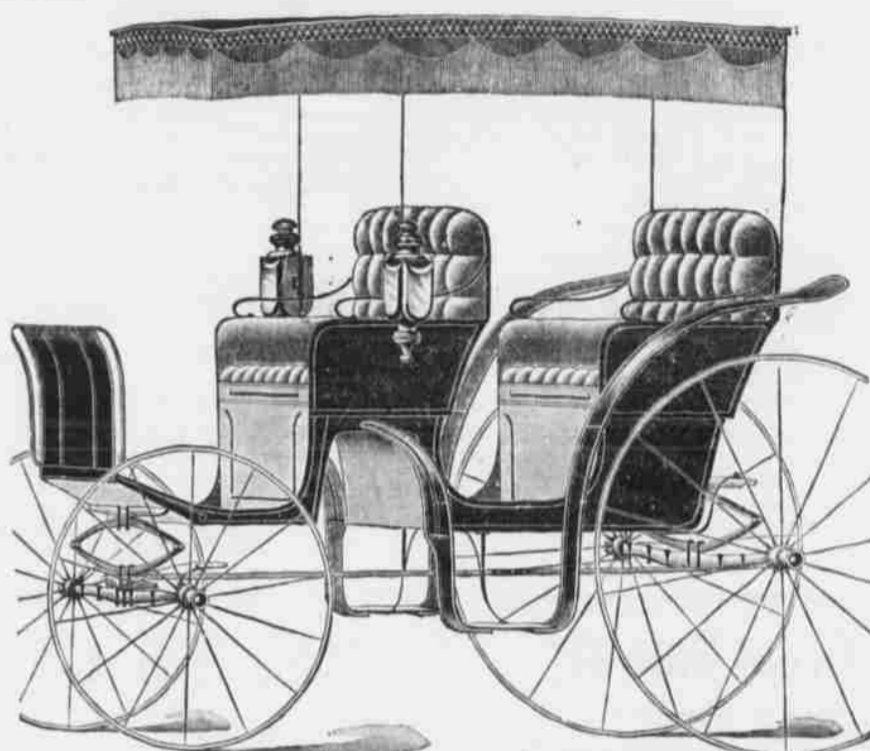

and is a real blood remedy for real blood troubles, promptly reaching the seat of the disease, and forcing it out permanently.

## AN OLD-TIME CANDY FULL.

When the wintry stars are winking,  
Winkin' at the brink o'night,  
An' the pale cold moon is sinkin',  
Sinkin' slowly out o'sight,  
Then a-blinkin' through my glasses,  
My heart gets swellin' full,  
And I mind the lads an' lassies  
At an old-time candy pull.

Thar was Mandy Jones, the parson's gal—  
Lan sakes, how my heart jump!—  
An' Tommy Brown, as stout a pal  
As ever took life's thumps,  
An' Betsy Smith an' Jimmymy Hill,  
An' Sam an' Mary Dowd,  
Whose daddy owned the ole gristmill,  
An' lots more of the crowd!

I mind we met at ole Dowd's place—  
His kitchen was the best—  
An' the music o' the old mill race  
Kept time to quip an' jest.  
Then when the lasses was b'iled down,  
I tell you it was fun  
To pull it to a golden brown  
'Til it was proper done!

Then how we danced the 'Giny reel,  
Chock full o' snap an' spunk—  
All hands around now—'oe an' heel!  
Each lassie with a hunk  
O' yellow lasses candy  
Betwixt her laughin' lips—  
Eh? Bedtime! Dear me, Mandy!  
Don't it beat all how time slips!
